# LET'S TALK!

Now it's time for us to open the floor for discussion, engagement, and learning!

# Open Forum Rules of Engagement

Please keep the following in mind when engaging in discussion:

Be respectful of other people's time and space. Please remain on mute until it is your turn to speak.

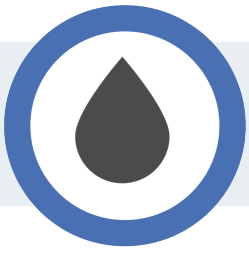

Use the "Raise Hand" function if you have a question or comment. The team will work to engage everyone in the order hands were raised.

Come and go as you please! We will be live from 12pm EST to 1pm EST.

Email [onelab@cdc.gov](mailto:onelab@cdc.gov) with questions or technical issues.

# OneLab **TEST**

## Lessons Learned

- What type of waived testing do you perform?
- What struggles/roadblocks/issues has your facility/site faced in the last year? How have you or your team overcome these roadblocks?

## Looking Forward

- Could your facility/site gain anything from connecting with other OneLab TEST members?

## Resources Required

- What are the specific areas in need of supplementary training materials?
- What were the most helpful general resources and OneLab specific resources you encountered or used this year?
- What education needs are you anticipating your staff encountering?

# OneLab TEST

## What is OneLab TEST?

OneLab TEST (Timely Education and Support of Testers) is a **new collaborative network** that aims to **connect, train, and empower** a community of practice among professionals and volunteers who perform or coordinate **testing** at non-laboratory sites such as:

- Clinics and physician offices
- Pharmacies
- Long-term care and assisted living facilities
- Health departments
- Drive-through testing sites
- Workplace testing sites
- Schools

## Why join OneLab TEST?

### Community of Practice

- Join a diverse, interconnected community of testers
- Network with peer and experts who conduct testing

### Training Resources

- Access free online courses, resources, and job aids
