

READY? SET? TEST! PATIENT TESTING IS IMPORTANT. GET THE RIGHT RESULTS

WB4519R

PROGRAM DESCRIPTION: This enduring activity is designed to promote reliable, high-quality testing and enhance patient safety by explaining the steps of the waived testing process and to provide the learner with additional resources to assist on the job.

OBJECTIVES:

At the end of this course, the participant should be able to:

1. Identify the basic requirements for performing waived testing.
2. Identify at least three good laboratory practices for preparing the laboratory or testing site to produce high quality test results.
3. Describe their role, responsibilities, and scope of practice as a team member performing CLIA-waived testing.
4. Identify at least two good laboratory practices that assure the right sample type is obtained from the correct patient.
5. Identify patient samples that are labeled correctly.
6. Identify at least two good laboratory practices for testing.
7. Identify at least two good laboratory practices for recording and reporting results.

FACULTY/ CREDENTIALS:

Nancy Anderson, MMSc, MT (ASCP), Senior Advisor for Clinical Laboratories, CDC
Nancy Cornish, MD, Medical Officer, Senior Advisor for Quality and Safety, CDC
Lori Hall, PharmD, Health Scientist, CDC
Helen Mills, RN, MSN, National Clinical Educator, VA
Theresia Snelling, MBA, MPM, BS, MT (ASCP), Health Scientist, CDC
Heather Stang, MS, MT (AMT), Deputy, Quality and Safety Systems Branch/Health Scientist, CDC

ORIGINATION DATE: January 19, 2022
RENEWAL DATE: January 19, 2024
EXPIRATION DATE: January 19, 2026

ACCREDITATION STATEMENTS:

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, The Centers for Disease Control and Prevention is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

CME: The Centers for Disease Control and Prevention designates this **enduring** activity for a maximum of **1.5** AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CNE: The Centers for Disease Control and Prevention designates this activity for **1.5** nursing contact hours.

CPE: The Centers for Disease Control and Prevention designated this **Knowledge-based** event for pharmacists to receive **0.15** CEUs in pharmacy education. The Universal Activity Number is **JA4008229-0000-25-035-H04-P**.

After credit is claimed, an unofficial statement of credit is immediately available on CDC TRAIN. Official credit will be uploaded within 60 days on the NABP/CPE Monitor.

CEU: The Centers for Disease Control and Prevention is authorized by IACET to offer **0.1** CEU's for this program.

CECH: Sponsored by the Centers for Disease Control and Prevention, a designated provider of continuing education contact hours (CECH) in health education by the National Commission for Health Education Credentialing, Inc. This program is designated for Certified Health Education Specialists (CHES®) and/or Master Certified Health Education Specialists (MCHES®) to receive up to **1.5** total Category I continuing education contact hours. Maximum advanced level continuing education contact hours available are **1.5**. Continuing Competency credits available are **1.5**. CDC provider number **98614**.

For Certified Public Health Professionals (CPH)

The Centers for Disease Control and Prevention is a pre-approved provider of Certified in Public Health (CPH) recertification credits and is authorized to offer **2.0** CPH recertification credits for this program.

DISCLOSURE: In compliance with continuing education requirements, all planners and presenters must disclose all financial relationships, in any amount, with ineligible companies

during the previous 24 months as well as any use of unlabeled product(s) or products under investigational use.

CDC, our planners, and content experts wish to disclose they have no financial relationship(s) with ineligible companies whose primary business is producing, marketing, selling, reselling, or distributing healthcare products used by or on patients.

Content will not include any discussion of the unlabeled use of a product or a product under investigational use.

CDC did not accept financial or in-kind support from ineligible companies for this continuing education activity.

Instructions for Obtaining Continuing Education (CE)

To receive continuing education (CE) for **WB4519R Ready? Set? Test! Patient Testing is Important. Get the Right Results** please visit [OneLab REACH](#) and search for the course. Follow the steps below by **January 19, 2026**.

1. Register for and complete the course in OneLab REACH.
2. Pass the posttest at 70%.
3. Copy the passcode provided after passing the posttest.
4. Go to CDC TRAIN and register for the Ready? Set? Test! Patient Testing is Important. Get the Right Results (Web Based) – WB4915R course.
5. Check the box for each type of CE you wish to apply for when registering for the course.
6. Select the ****Mark Completed**** button on the course page in TRAIN.
7. Enter the passcode when prompted.
8. Complete the evaluation in CDC TRAIN.

FEES: No fees are charged for CDC's CE activities.
